Public Works Board

Recommended for 2016 Construction Loan Funding:

City of Redmond

Redmond Way & Cleveland Street Couplet Conversion

County: King
Legislative District: 48th
PWB Loan Request: \$7,000,000
Other Funds: \$18,680,000
Total Project Cost: \$25,680,000

Serves:

- **Schools:** 9
- **Businesses:** 2,856
- **Community Facilities:** 3

This project will convert Redmond Way and Cleveland Streets from one-way to two-operation to improve the grid system in downtown, increasing business access, reducing driver confusion and maximizing utilization of Right of Way. The project includes pedestrian improvements and adds a business access to transit lane to support the Sound Transit Route 545. Completion of this Downtown Redmond Regional Growth Center project completes the sixth and final phase of the Downtown Transportation Master Plan.
